PRINCIPAL GELMAN  
... and I am also pleased to  
announce that this year, seniors  
are allowed to wear baseball hats  
on Fridays.

(then)  
And now for a special introduction.  
This year, East High has a new  
drama teacher with an announcement  
that she swore, in writing, will  
not be too expensive.

(then)  
Go ahead. Be brief.

### INT. MISS JENN'S OFFICE - EAST HIGH - DAY (D1)

Start

PRINCIPAL GELMAN  
What is going on in here?

They turn to find PRINCIPAL GELMAN clouding the doorway.

MISS JENN  
Oh, hello, Principal Gelman. I was  
just relaying some thoughts to my  
devoted assistant--

PRINCIPAL GELMAN  
Why are you still in the building?

MISS JENN  
I just dropped by to gather some  
study materials and my vitamins--

PRINCIPAL GELMAN  
Miss Jenn, please. Don't force me  
to call campus security.  
(then)  
You've got ten minutes. I'm timing  
it!

GELMAN #3

INT. CAFETERIA - EAST HIGH - NIGHT (N2)

Principal Gelman grills MISS JENN at her school board hearing.

Start

PRINCIPAL GELMAN

I'll ask one more time: Had you been to this establishment prior to last Friday?

MISS JENN

Yes, sir.

ON DOOR as Nini and Kourtney enter, grabbing empty seats. They note Carlos's the only other "family" member present

PRINCIPAL GELMAN

So you knew they served alcoholic beverages?

MISS JENN

Yes. But they also do a very nice trout teriyaki.

PRINCIPAL GELMAN

Did you offer to purchase alcoholic beverages for your students?

MISS JENN

No, sir.

PRINCIPAL GELMAN

But you purchased a cocktail or two for yourself?

MISS JENN

Actually, I was treated.  
(quickly)  
By an old friend.

PRINCIPAL GELMAN

And you chose to send these students home in your car because you were too intoxicated to drive?

MISS JENN

I wouldn't say "intoxicated." I'm a lightweight, Principal Gelman. I get tipsy from the wrong mouthwash.

PRINCIPAL GELMAN  
Just answer the question.

MISS JENN  
I was not intoxicated. I just  
wanted them to get home safely. I  
thought I was being maternal.

PRINCIPAL GELMAN  
Miss Jenn, where did you attend  
college?

Miss Jenn is blind-sided: *what does that have to do with-*

MISS JENN  
I'm sorry. What was the question?

PRINCIPAL GELMAN  
Where did you go to college?

SUDDENLY Prinicpal Gelman hears... HUMMING from the stands.

PRINCIPAL GELMAN (CONT'D)  
What is that? Who's humming? Am I  
having a stroke?
