JUST ROLL WITH IT

RACHEL

So no sweatshirt that says: 'My Child
is Smarter than Yours.'

CALLIOPE

I'm afraid not. We believe that
academic achievement is a personal
journey, not an excuse to look down on
others.

CALLIOPE CROSSES OFF AS RACHEL TRAILS AFTER HER, LEAVING
BLAIR AND SIMON.

RACHEL

(CALLING AFTER) Yeah, couldn't agree
more! What about some school
stationary? Really any swag will do.

ANGLE ON: BLAIR AND SIMON.

BLAIR

START →

So Simon, interesting look. Very...
sensible.

SIMON

Thank you. I have a hundred of them so
I never have to worry about what I'm
going to wear.

BLAIR

Hundred, huh? No washing machine in
the Simon household?

SIMON

I also spill on myself a lot.

Sides by Breakdown Services - Actors Access

A GLOP OF YOGURT PLOPS ONTO HIS SWEATER.

SIMON (CONT'D)

Oopsie.

SIMON THEN LIFTS HIS TURTLENECK OFF, REVEALING AN IDENTICAL TURTLENECK UNDERNEATH.

BLAIR

(IMPRESSED) Pretty smart hack.

SIMON

Oh, and I almost forgot, here's your welcome tablet.

SIMON HANDS BLAIR A TABLET.

BLAIR

Dope!

SIMON

Naturally, the wifi has been disabled.
And the device has been fully loaded
with everything from Aristotle to
Immanuel Kant's *Critique of Pure
Reason*.

BLAIR

And... buh-bye.

BLAIR TOSSES THE TABLET INTO THE TRASH. IMMEDIATELY A STUDENT REACHES IN AND PULLS IT OUT OF THE TRASH.

BLAIR (CONT'D)

So tell me, what's fun to do around here?

SIMON

Everything! We've got robotics,
molecular gastronomy, reiki therapy, a
mindfulness area, which includes our
favorite, the contemplation cone.

BLAIR

Cool, cool. You ever get outside?

SIMON

Absolutely not. There are bugs out
there. We could trample them.

BLAIR

So we're trapped inside... like
prisoners. (SARCASTIC) Awesome.

SIMON

It is awesome. Oh, and you picked the
right day to start, it's Tofu Tuesday!

BLAIR

Let's cut to the chase, soy boy. How
many classes am I going to have to
take? And what are they?

SIMON

Actually, we don't have classes.

BLAIR

Now, hold on. Did you just say there
are no classes?

SIMON

Yup. Students learn at their own
accelerated pace. Your course load is
entirely up to you!

BLAIR

So... if I were to decide that my
genius is best serviced by chilling on
this bean bag all day and looking at
memes on my phone, that would be cool?

SIMON

If that's your learning method, sure.

← END

SIMON CROSSES OFF AS BLAIR SMILES AND PLOPS INTO A BEAN BAG.

BLAIR

Time to learn, baby.

BLAIR TAKES OUT HER PHONE AND STARTS SCROLLING AS THE MUSIC
SWELLS AND THE CAMERA PANS OVER THE AUDIENCE, AND WE...

FADE OUT.
